Petfinder Classified Ads

Place an Ad

You can post a free classified ad on Petfinder.com! Place your ad in one of these three categories: Pets Found, Lost Pets and Adoptable Pets. The ad expires in 14 days.

[Pets Found
Classifieds](#)

Review the list of pets that good people have found wandering. These are pets that are believed to be someone's lost pet. They may or may not be up for adoption.

[Lost Pets
Classifieds](#)

This is a list of pets that are missing. Please keep your eye out for these pets! Someone loves them and is looking for them.

[Adoptable Pets
Classifieds](#)

Petfinder's Post-a-pet is full of great pets that, for some reason, can't stay in their current homes. People also list pets here that they find as strays as an alternative to taking them to the shelter. These pets are usually currently living with a foster family or their original family.

NOTE: As of February 6, 2004, the "Pets Wanted" ads are no longer viewable by the general public. These ads are available only to Petfinder.com member organizations. Thank you!
